

Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over 60 years of experience effectively manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to providing new design concepts and top quality in order to meet the diverse needs of their clients.

TREK Cleaning Machines continually offers fresh design ideas as proven in their product development. They enjoy offering products that energize both their partners and their dealers and provide production gains to their customers.

The team at TREK enjoys tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and requirements combined with their understanding of cleaning applications, along with owners' strong desire to significantly lessen cost through productivity gains.

The workers at TREK and their dealer-partners are really committed to having both technical support and parts available when it is required. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning equipment ready and running day by day is top priority. The company's top of the line technology delivers reliable machine which ultimately lessens your cost of cleaning. The product, the price and the service all work together so as to make them the leader in the industry.
