

## Nissan Forklift Parts

Nissan Forklift Parts - Nissan takes immense pleasure in achieving complete customer satisfaction, when their consumer is experiencing one of their various products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to offering high value and meticulous quality values to their customers. Incorporating a rich heritage combined with resilient processing principals, Nissan lift trucks supply a few of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European manufacturing warehouse in Sweden to sustain their worldwide forklift demands. Committed to delivering customer support, the business has four independent production facilities that permit them to constantly adapt to their customers continually evolving needs by offering a range of modern ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, fashioning, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental responsibility by using techniques and procedures that lessen their environmental footprint. These high standards remind consumers that Nissan operates under the quality seal that their consumers command whilst being an environmentally conscious organization.

Nissan is assured that they will be able to address any buyer inquiries or concerns. Always available through their website or by calling 800.871.LIFT, contacting one of their locally endorsed sellers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their hospitality and commitment.
