

## American Lincoln Part

American Lincoln Parts - Now associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the business they are known in the business as providing strong and durable machines that meets all the requirements of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nationwide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their production facilities in Springdale Arkansas. These kinds of scrubbers are accessible in the market under the brand name "Encore". American Lincoln could supply components, warranty service and machines for these kinds of scrubbers which have both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility supervisors where results and efficiency make a difference. Recently, this floor scrubber model has been used by the architects in different construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on location due to the model's high standard of quality and utmost performance level for polishing concrete.
